

PUBLIC MEETING NOTICE

DATE: Monday, April 10, 2017

Time: 6:00 pm

Location: In front of 411 N. 2nd Street

DICKERSON LANDING PHASE V UPDATE

A public meeting has been scheduled to discuss the Dickerson Landing Phase V Project. Phase V will complete North 2nd Street from Wilkinson Street to the Railroad Tracks. The project will include replacement of the water main, storm sewer, sanitary sewer and the roadway. The project will begin as early as next week and should be completed in July. The City will discuss the project and answer questions during the meeting.

Area Residents: We ask for patience and understanding with your 2nd Street neighbors as they will have limited access and parking available during this project. If you are able to leave some available spaces for your neighbors during this time, it would be greatly appreciated by all. As always, please pay extra attention to property of yours and others for theft and vandalism.

Questions

Please direct questions and/or concerns to:

Goshen Engineering Department

Phone: 574-534-2201

Email: engineering@goshencity.com
