All site inspection reports for Rule 5 active construction sites will be submitted to the Elkhart County Soil and Water Conservation District through PermiTrack, a new online system, starting next year.

For this reason, attendance by a company representative at one workshop is **strongly encouraged.**

This workshop is free.

Registration is appreciated. Please register at least a week in advance of the workshop date.

To register, or if you have any questions, please contact Deb Jimison at 574-533-4383 ext. 3 or debra.jimison@in.nacdnet.net
