Resolution 2017-21, Confirming the Designation of the Goshen Assisted Living Economic Revitalization Area to Authorize a Tax Phase-In for Goshen Assisted Living, LLC, was passed on October 3, 2017. A motion to reconsider Resolution 2017-21 was passed on October 24, 2017, and then the Resolution was tabled. Included in your meeting packet is a copy of the version of Resolution 2017-21 that was passed on October 3, 2017. Also included is a second version with redlined changes for proposed amendments to be made at the November 21, 2017 meeting.

RESOLUTION 2017-21

Confirming the Designation of the Goshen Assisted Living Economic Revitalization Area to Authorize a Tax Phase-In for Goshen Assisted Living, LLC

WHEREAS Indiana Code § 6-1.1-12.1 et seq. authorizes the establishment of an economic revitalization area (“ERA”) within the corporate limits of a city for the purpose of phasing-in certain property taxes in connection with the redevelopment or rehabilitation of real estate or the installation of new manufacturing equipment, new research and development equipment, new logistical distribution equipment, or new information technology equipment within an ERA; and

WHEREAS Goshen City Ordinance 4630, as amended by Ordinance 4736, and Indiana Code § 6-1.1-12.1 et seq. set forth the procedures and standards for the establishment of an ERA; and

WHEREAS Indiana Code § 6-1.1-12.1-3(e)(11)(A) allows for the establishment of an ERA for residential purposes if the facility is multifamily facility in which at least twenty percent (20%) of the units are available for use by low and moderate income individuals; and

WHEREAS Goshen Assisted Living, LLC (“Goshen Assisted Living”) contacted the City of Goshen's Community Development Director to request that an area be designated as an ERA for the purpose of obtaining a tax phase-in of real property taxes in connection with the construction of an assisted living facility in which at least sixty percent (60%) of the facility will be set aside for low income seniors who are eligible for Medicaid reimbursement; and

WHEREAS Goshen Assisted Living submitted an application and completed Statement of Benefits to the City of Goshen requesting the Common Council to allow a deduction in the assessed valuation and determine the number of years that Goshen Assisted Living is entitled to claim a deduction in the assessed valuation for certain real property taxes in connection with the redevelopment of real property as defined by Indiana Code § 6-1.1-12.1-1(5), hereinafter referred to as the “Project”.

WHEREAS a notice of adoption that the Goshen Common Council passed Resolution 2017-19 on September 5, 2017 concerning the designation of the “Goshen Assisted Living Economic Revitalization Area” and notice of public hearing has been given and published; and

WHEREAS copies of the notice and Resolution 2017-19 have been filed with the Elkhart County Assessor; and

WHEREAS copies of the notice and Goshen Assisted Living’s Statement of Benefits have been filed with all affected taxing units; and

WHEREAS the Goshen Common Council has received and heard all remonstrances and objections from interested persons concerning the designation of the “Goshen Assisted Living Economic Revitalization Area” at a public hearing on October 3, 2017, and has determined that the qualifications for an ERA have been met.

After consideration of the designation application with regards to declaring the designation of an ERA at 2440 South Berkshire Drive, Goshen, Indiana, the Goshen Common Council NOW FINDS and CONFIRMS the following:

(a) The area is undesirable for normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age,

obsolescence, substandard buildings or other factors which have impaired values or prevent normal development of property or use of property.

(b) Goshen Assisted Living estimates the value of the redevelopment to be Fifteen Million Five Hundred Thousand Dollars (\$15,500,000). The estimated value is reasonable for projects of the nature proposed.

(c) Goshen Assisted Living estimates to employ sixty-four and eight tenths (64.8) (full-time equivalent) individuals as a result of the proposed Project. The estimated number of individuals to be employed can be reasonably expected to result from the proposed Project.

(d) Goshen Assisted Living estimates the total annual compensation (wages) to be paid to those individuals to be employed to be Two Million Dollars (\$2,000,000) as a result of the proposed Project. The estimated total annual compensation to be paid can be reasonably expected to result from the proposed Project.

(e) Any benefit to the community upon which the application depends can be reasonably expected to result from the proposed Project.

(f) The total benefit is sufficient to justify the tax phase-in.

(g) After the redevelopment, the area will contain a multifamily facility in which at least twenty percent (20%) of the residential units are available for the use by low and moderate income individuals.

(h) The area will not contain a facility that is primarily used for:

- (1) Retail sales;
- (2) Automobile sales or service;
- (3) Retail food and beverage service;
- (4) Package liquor store;
- (5) Golf course;
- (6) Country club;
- (7) Massage parlor;
- (8) Tennis club;
- (9) Skating facility;
- (10) Racquet sport facility;
- (11) Hot tub facility;
- (12) Suntan facility; or
- (13) Racetrack.

(i) The proposed Project is permitted under the zoning regulations for the area.

(j) The proposed Project is not located in a Tax Increment Financing District.

(k) The City of Goshen will impose a fee equal to fifteen percent (15%) of the reduction in property taxes to which Goshen Assisted Living or its successors in interest are entitled to in each year in which Goshen Assisted Living or its successors in interest's property taxes are reduced by a deduction approved by this Common Council. Goshen Assisted Living has consented to the imposition of this fee. The fee imposed shall be distributed to public or nonprofit entities which are established to promote economic development within the City of Goshen. The relative portions of the distribution are designated under the section with the heading Fee Imposed.

NOW, THEREFORE, BE IT RESOLVED that the Common Council of the City of Goshen, Indiana CONFIRMS the designation of the Goshen Assisted Living Economic Revitalization Area to authorize a tax phase-in of certain real property taxes for Goshen Assisted Living, LLC as follows:

- (b) The map attached to this resolution as Exhibit A identifies the ERA.
- (c) The ERA shall be known as the “Goshen Assisted Living Economic Revitalization Area.”

Type and Duration of Tax Phase-In

(a) The designation of the Goshen Assisted Living Economic Revitalization Area shall be limited to a period of **two (2) years**. This designation expires in **December 31, 2026**. The designation of the duration of the ERA is not intended to extend or expand the tax phase-in granted by the Common Council, but is only intended to be a necessary step to authorize the tax phase-in to be granted under this resolution.

(b) The tax phase-in is contingent upon Goshen Assisted Living contributing **fifteen percent (15%)** of its tax savings to the City.

(c) **Real Property Taxes.** The deduction within the Goshen Assisted Living Economic Revitalization Area shall be limited to the real property taxes for the redevelopment of the real estate as more particularly described in Exhibit B. Once the real estate has been redeveloped as described in Exhibit B, Goshen Assisted Living is entitled to make application for a deduction from the assessed value of the real property applicable to the redeveloped real estate in an amount not to exceed a cost of **Fifteen Million Five Hundred Thousand Dollars (\$15,500,000)** for each year during the period the Goshen Assisted Living Economic Revitalization Area is in effect. Except as provided by Indiana Code § 6-1.1-12.1-5(b) or (e), the initial deduction application must be made by May 10 of the year in which the addition to the assessed valuation is made. The term of the deduction is limited to **two (2) years**. No deduction may be taken after the **2026** tax year.

(d) The deduction provided by this resolution shall be for the assessed value of the improvements to be constructed on the real estate not to exceed a cost of **Fifteen Million Five Hundred Thousand Dollars (\$15,500,000)**. The deduction shall apply for a period of **two (2) years** from the date of the first assessment of any of the improvements to real estate. The Common Council determines that deductions from the assessed value of the real property approved by this resolution shall be as follows:

YEAR OF DEDUCTION	PERCENTAGE
1st	100%
2nd	100%
3rd and thereafter	0%

Goshen Assisted Living to File with County

In order to receive a deduction in the assessed valuation, it shall be Goshen Assisted Living's responsibility to file State of Indiana forms prescribed by the Department of Local Government Finance (i.e., State of Indiana forms, including Certified Deduction Application, Certified Deduction Schedule, and/or Compliance with Statement of Benefits) with the appropriate Elkhart County Offices as required by Indiana statutes each year during the period the Goshen Assisted Living Economic Revitalization Area is in effect.

Additional Consideration

In partial consideration of the value of the phase-in of the deduction granted to Goshen Assisted Living the City, Goshen Assisted Living agrees and commits not to file any real property tax assessment appeal, review, or other challenge of the property tax assessments made for the Project during the time periods for which property tax deductions are received unless:

(a) The original assessment for the improvements on the real estate is in excess of the actual cost of the improvements;

(b) A trending assessment or reassessment increases the assessment for the real estate of more than ten percent (10%) for any year-to-year change or more than an average of fifteen percent (15%) per year over two or more years.

Fee Imposed

Pursuant to Indiana Code § 6-1.1-12.1-14, a fee equal to **fifteen percent (15%)** of the reduction in property taxes resulting from the deduction granted by this process is imposed upon Goshen Assisted Living for each year Goshen Assisted Living's property taxes are reduced. The fee imposed shall be distributed entirely to the City of Goshen for deposit into the Economic Development Income Tax Fund infrastructure line. The amount of the fee shall be calculated in accordance with Indiana Code § 6-1.1-12.1-14(c).

Transfer of Title to Real Estate

Any tax phase-in granted will terminate upon transfer of title in the real estate unless the new owner complies with Indiana Code § 6-1.1-12.1-5(g).

Cessation of Operations

In compliance with Indiana Code § 6-1.1-12.1-12, the Common Council declares that if Goshen Assisted Living ceases operations at the facility for which a deduction is granted or if the Common Council later finds that Goshen Assisted Living obtained the deductions by intentionally providing false information concerning Goshen Assisted Living's plans to continue operations at the facility, Goshen Assisted Living shall pay the amount due under the formula established by Indiana Code § 6-1.1-12.1-12(e) to the Elkhart County Treasurer. This paragraph is intended to incorporate the provisions of Indiana Code § 6-1.1-12.1-12.

Affidavit of Compliance

Each year Goshen Assisted Living shall file with the City of Goshen an annual report for the previous calendar year which includes the following information:

- (a) Monthly census or other applicable reports that indicate the following information:
 - (1) number and percentage of affordable apartments the cost of which is partially funded through reimbursement from Indiana's Medicaid Waiver for assisted living; and
 - (2) number and percentage of spend down/private pay apartments the cost of which is paid by the resident.
- (b) The number of employees employed at the facility receiving a tax phase-in as reported on the statement of benefits form, and as of January 1 and December 31 of the calendar year that the annual report covers.
- (c) The total salaries and wages of the employees employed at the facility receiving a tax phase-in as reported on the statement of benefits form, and as of January 1 and December 31 of the calendar year that the annual report covers.
- (d) A detailed description of the benefits package, including total cost (including Goshen Assisted Living's cost and the employee's cost), provided to the employees employed at the facility receiving a tax phase-in as of January 1 and December 31 of the calendar year that the annual report covers.
- (e) The completed Compliance with Statement of Benefits (State of Indiana form).

The annual report must be filed with the Goshen Community Development Director by February 28 of each year. This information is in addition to the required filings (i.e., State of Indiana forms, including Certified Deduction Application, Certified Deduction Schedule, and/or Compliance with Statement of Benefits) which must be filed with the appropriate Elkhart County Office by Goshen Assisted Living in accordance with Indiana statutes.

HISTORY:

You may or may not be aware; the company that manufactures our heart monitors is shutting down following compliance issues with the FDA. To that end, Chief Miller has been pursuing another vendor for the purchase of new heart monitors and he currently is working with our legal department for this purchase.

SOLUTION:

Obviously this was not in our 2017 budget; however, we are able to cover the cost of new monitors, AEDs and a 4 year service plan by an additional appropriation of \$165,663.10 from the Medicare reimbursement money we have received so far this year and have yet to receive. The November 2017 Medicare reimbursement has not yet arrived and we are asking for your approval in advance for Clerk/Treasurer McKee to transfer the money when it becomes available; allowing Chief Miller to place the order for new monitors as soon as possible.

I will be happy to accommodate any questions you may have regarding this issue.

Thank you for your consideration in this matter for GFD and the care of our citizens we serve.

Re: Additional Appropriation

The Fire Department respectfully requests an additional appropriation in the amount of \$165,000.00.

This appropriation will be returned to the City in the following manner after my discussions with Mayor Stutsman; GFD has received \$71,036.97 from Medicaid and Medicaid Advantage Care and Blue Cross Blue Shield as a result of the cost reporting we submitted for underpayment. In addition, we will receive \$161,212.95 from Medicaid after the first of 2018. The total we will receive back will be \$232,249.92; the balance of this money will stay with the City to use as they see fit. The balance that the City gets to keep will approximately \$67,000.00; a little more or a little less.

We will use \$165,000.00 for the purchase of the monitors and a 4-yr service plan and ask that it be put into Ambulance/Other Equipment (101-520-12-445-0201) and will come out of line 101-520-12-445-0201, Ambulance Other Equipment to pay for the monitors.
