

MAINTENANCE OF TRAFFIC – PHASE IA

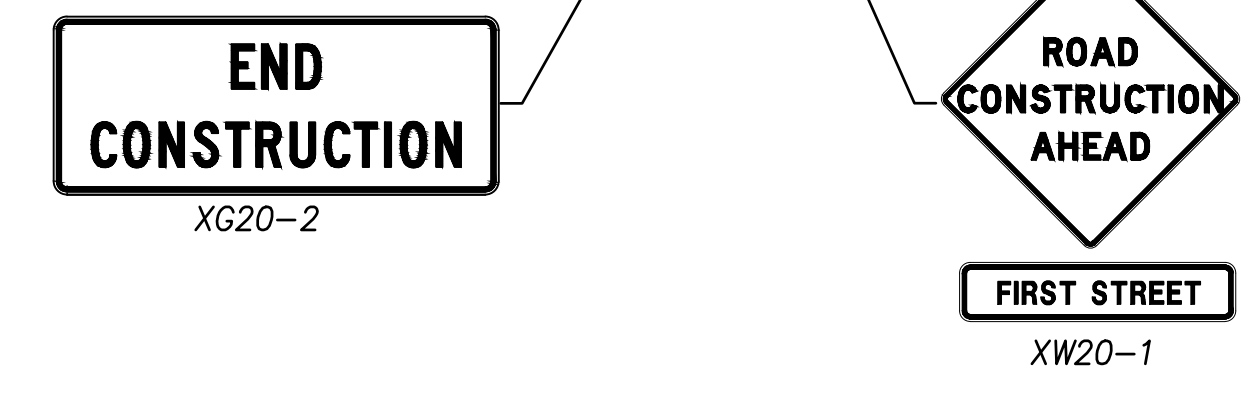

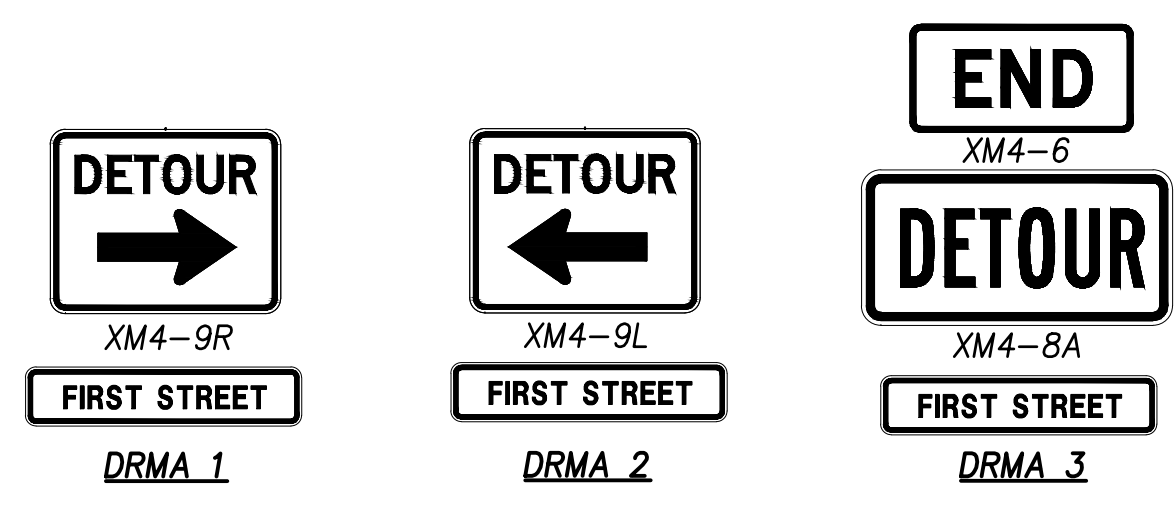

Phase IA construction shall include all work on 1st Street north to Sta. 18+00.

During Phase IA construction, traffic shall be directed west along River Avenue to north along Indiana Avenue to east along Wilden Avenue as shown.

Contractor shall erect fencing around perimeter of work area to minimize pedestrian access.

Contractor shall notify all property owners a minimum of 48 hours in advance of any temporary closure of access to the properties. At all times during construction, access shall be maintained to all properties for trash pick up, mail delivery and emergency vehicles.

All signage, traffic control devices, and striping shall be erected in accordance with Indiana MUTCD standards.
