Memorandum

To: Designers & Developers

From: Dustin Sailor, P.E., Director of Public Works

RE: IDEM WATER AND SEWER PERMIT SUPPORT DATA

Date: January 25, 2020

The City of Goshen has made accommodations for local plan review and approval for both water distribution and sewer collections in lieu of an IDEM submittal and plan review, which is allowed by Indiana Administrative Code. This service is administered by:

Michael Machlan, P.E.
1617 E. Lake Drive W.
Elkhart, IN 46514-4281

e-mail: mikemachlan@gmail.com

Plan review service fees are:

Standard Timetable (3 weeks maximum)	
Standard Permit (up to 2000 feet)	$175.00
Large Projects (each additional 1000 feet)	$50.00 per increment
Accelerated Timetable (1 week maximum)	
Standard Permit (up to 2000 feet)	$350.00
Large Projects (each additional 1000 feet)	$75.00 per increment
Extreme Timetable (2 days maximum)	
Standard Permit (up to 2000 feet)	$550.00
Large Projects (each additional 1000 feet)	$125.00 per increment

Permit checks are to be made payable to ***the City of Goshen***.

Once a permit(s) has been signed by the City of Goshen, the plan preparer may forward their permit application to either the Indiana Department of Environmental Management or to the City's local plan reviewer. Notification of the selected option shall be relayed to the Goshen Engineering Department.

Water Permit Data
