The City of Goshen Board of Public Works and Safety is soliciting sealed offers for the purchase of four (4) 2023 Hybrid Pursuit SUV(s) and the option to purchase up to four (4) additional Pursuit Hybrid SUV(s) at the same per unit price.

Offers shall be submitted in accordance with the Instructions and all contractual terms and conditions that are included in the Specification Documents.

Offers shall be submitted to the City of Goshen Legal Department, 204 East Jefferson Street, Suite 2, Goshen, IN 46528 by 1:45 p.m. on August 8, 2022. In addition to price, offers will be evaluated based on whether the quoter is responsible, and if the quoter's offer is responsive.

The City of Goshen Board of Public Works and Safety reserves the right to reject any and all offers, delete any portions thereof, to waive any informalities or irregularities in any quote received, and to award a contract, consistent with Indiana law, to the lowest responsible and responsive quoter.

**INSTRUCTIONS**

This section contains instructions regarding the preparation and submittal of offers. Please note these instructions may not contain all applicable requirements. Careful reading of the entire solicitation is critical. Failure to read the solicitation in its entirety or to follow the instructions may lead to the rejection of your offer. For the context of this solicitation, the use of the words contractor, vendor, supplier, or Quoter all have the same meaning for the company/business submitting an offer.

**1. Examination and Representation.**

Before submitting an offer, the Quoter shall carefully examine these Specification Documents to fully inform themselves with the limitations and conditions under which the equipment is to be purchased and all other relevant matters that may affect the cost, progress, performance or furnishing of the equipment including applicable local, state, or federal laws and regulations.

The Quoter agrees that the Quoter shall make no claim against the City of Goshen because of estimates or statements made by any City officer or agent, which may prove to be in any respect erroneous, inconsistent or an addition to any terms or conditions of these written documents. The failure or omission of any Quoter to receive or examine any form, instrument, addendum, or other document shall in no way relieve the Quoter of any obligations with respect to its offer submitted or contract executed.

**2. Requests for Clarifications and Addenda.**

All requests for clarification to this solicitation must be received at least two (2) business days before the opening date to allow for the issuance of any addendums determined by the City to be necessary. Requests shall be made in writing and may be directed to the City of Goshen Legal Department, Municipal Building Annex, 204 East Jefferson Street, Suite 2, Goshen, Indiana 46528, or faxed to the attention of the Legal

Department at (574) 537-3817. Inquiries should reference the applicable section, paragraph, and/or page number.

Interpretations or clarifications determined necessary by the City in response to such questions will be issued by addenda mailed, faxed or otherwise delivered to all parties recorded by the City as having received Specification Documents. Only questions answered by formal written addenda will be binding. Oral and other interpretations or clarifications will be without legal effect.

### **3. Specifications and Exceptions.**

Unless stated otherwise in this solicitation, the equipment requested shall be that which is under standard production at the time of the order, and no used or refurbished items will be accepted. Unless specifically stated otherwise in the solicitation, the name of a certain brand, model or manufacturer referenced in the specification is not intended to restrict competition, but is to indicate the general style, type, character, and quality of the product desired. The equipment described in the Specification Documents establish minimum requirements or a standard of required function, dimension, appearance or quality. It is not the intent of the City to write out manufacturers or vendors of the vehicle that are equal or better than what is specified.

A Quoter may offer any brand, model or manufacturer which meets or exceeds that named in the specifications, provided the Quoter can demonstrate that the exception will meet or exceed the needs of the City.

The Quoter shall clearly detail in writing any deviation from or exception taken to the stated specifications. Any product, materials or method that the City of Goshen, in its sole discretion, determines to be equal or better to that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended will be considered, provided the Quoter submits information that details how the method and/or equipment offered for substitution will meet or exceed the minimum requirements or criteria and quality to that named in the Specification Documents. In the absence of any stated deviation or exception, the quote will be accepted as in strict compliance with all terms, conditions and specifications, and the Quoter shall be held liable for strict compliance.

### **4. Voluntary Alternates.**

If a Quoter has an alternate offer that the Quoter believes would meet the needs of the City of Goshen, the Quoter may submit the alternate offer in addition to an offer based on the City's Specification Documents. An alternate offer will be individually considered as a voluntary alternate and will be subject to the approval and acceptance of the City. A voluntary alternate will not, however, be considered in the determination of the lowest responsible and responsive Quoter unless City deems such an alternate to be equal or better than the requirements of the Specification Documents.

### **5. Descriptive Literature.**

Quoter shall submit with their offer the manufacturer's name of the product to be furnished, type, model numbers, manufacturer's descriptive bulletins and specifications. It is the Quoter's responsibility to clearly identify the equipment being offered and to provide sufficient descriptive literature, catalog cuts, technical data, etc. to enable the City to determine if the equipment offered meets the requirements of the solicitation. Failure to furnish adequate data for evaluation purposes may result in deeming your offer non-responsive.

### **6. Trusts**

In accordance with Indiana Code 5-22-3-5, an offer submitted by a trust (as defined by Indiana Code 30-4-1-1) must identify the beneficiary of the trust and the settlor empowered to revoke or modify the trust.

## **7. Business Certification.**

The quoter must complete the Business Certification page to identify the form of business organization the quoter is operating under.

A limited partnership, limited liability partnership, limited liability company, and corporation is required to be registered with the Indiana Secretary of State to do business in the State of Indiana and with the City of Goshen in order to be considered responsible. If the business entity is not currently registered with the Indiana Secretary of State, the business entity must agree to become registered as a contingency of being awarded a contract. Failure to register with the Secretary of State's Office may result in a determination that a corporation is non-responsible and a contract awarded to that corporation may be canceled.

## **8. Non-Collusion.**

All Quoters must sign and have notarized the Non-Collusion Affidavit to certify that the Quoter has not entered into a combination or agreement relative to the price to be offered by any person; to prevent a person from quoting; or to induce a person to refrain from quoting; and that the Quoter's offer is made without reference to any other quote. Any offer found to be collusive will be rejected. Should the City discover that the successful Quoter's affidavit is false, the City shall declare the contract forfeited and award a new contract.

## **9. Contracting with Relatives.**

Pursuant to Indiana Code §36-1-21, if the quoter is wholly or partially owned by a relative of a City of Goshen elected official, the quoter shall disclose this in writing to City. Such disclosure to City shall be included with the quoter's proposal.

## **10. Preparation and Submittal of Offers.**

- A. Response to this solicitation is an offer to contract with the City of Goshen.
- B. Quoters must complete and submit all pages/forms requesting information that are included with this solicitation. Offers shall be typed or legibly printed in ink. The offer must be signed by an authorized representative of the Quoter. An offer may be rejected if any required forms or information requested are incomplete or omitted and/or if an offer contains any alterations or erasures that are not initialed by the person signing the offer.
- C. All offers shall be submitted in a sealed envelope. The envelope must be labeled with the following information:
  1. Quoter name and address;
  2. The words, "Purchase of Hybrid Pursuit SUV(s)"; and
  3. Date and time of opening (as indicated on the Invitation for Quotes).
- D. If an offer is sent through the mail or other delivery system, the sealed envelope should be enclosed in a separate envelope with the notation "QUOTE ENCLOSED" on the face of the outer envelope.
- E. In order to protect the integrity of the sealed quoting process, failure to properly identify an offer according to these instructions may result in a disqualification of an offer from consideration.
- F. The quoter will assume full responsibility for the timely delivery of their offer.
- G. No facsimiles or emails of offers will be accepted.

H. All offers submitted become the property of the City and are a matter of public record.

**11. Withdrawal or Modification of Offers.**

Any modifications made to an offer before submittal must be initialed in ink by the Quoter's authorized representative. A Quoter may, upon written request, modify or withdraw their offer at any time prior to the opening date and time. A request to modify or withdraw an offer must be signed by the same person or persons who signed the original offer submitted. No offer may be modified or withdrawn after the opening of the offers.

**12. Alteration or Variation of Terms.**

The terms and conditions of the award will be those listed in this solicitation package and the resulting contract. It is mutually understood and agreed that no alteration or variation of the terms and conditions of this solicitation or resulting contract shall be binding unless specifically agreed to in writing by the City. Further, no oral understanding or agreement shall be binding unless specifically agreed to in writing by the City.

**13. Opening of Offers.**

The offers received will be opened in public by the Board of Public Works and Safety at the time and place shown in the Invitation for section. The reading of the offers, however, does not determine the award of the contract.

**14. Evaluation of Offers and Award.**

- A. The City of Goshen reserves the right to reject any and all offers, delete portions of the project, or to waive any informalities or irregularities in any offer received.
- B. In evaluating offers, the City may consider:
